Changes to one sub-fund of Franklin Templeton Investment Funds

Dear Shareholder,

We would like to inform you that the board of directors of Franklin Templeton Investment Funds (the “**Company**”) has decided to rename the Templeton Global Fund (the “**Fund**”) to “Templeton Global Focus Fund” and to clarify the investment policy of the Fund as follows (added text is blue and underlined):

“The Fund seeks to achieve its objective through a policy of investing in equity securities of companies throughout the world, including Emerging Markets. The Fund invests principally in common stocks and may invest up to 10% of its net assets in small and mid-cap companies with a market capitalisation below 10 billion US dollars at the time of purchase.”

In addition, the “Smaller and Midsize Companies risk” will be added to the list of other risks that may be relevant to the Fund under “Risk Considerations” sub-section.

The above changes will become effective as from 8 June 2026 and will be reflected in an updated version of the Prospectus, a copy of which will be available online or at the registered office of the Company.

Why are we making this change?

The Fund’s portfolio remains large cap focused; however, the investment team wishes to build in flexibility to have some small exposure to small and mid-cap companies. “Global Focus” in the Fund’s name reflects the high conviction concentrated approach of the strategy.

Impact

The changes detailed above will have no material impact on the the way the Fund is managed, its portfolio’s composition, risk profile or SRI nor on the fees charged. All other features of the Fund remain the same.

What you need to do

You do not need to do anything if you are satisfied with the change. You also have the option to switch your shares into other funds of the Company provided that such funds are available for distribution in your country. You may also request a redemption of your investment. Should you wish to proceed with either option, please refer to the latest Prospectus terms. Such requests of switch or redemption will be executed free of charge, provided that they are received at the latest by 8 June 2026.

Please note that “free of any redemption charge” does not apply to the contingent deferred sales charge (“CDSC”) for all classes subject to such CDSC, due to the nature of such fee. Accordingly, should you decide to redeem any shares subject to a CDSC, such redemption will be subject to the applicable CDSC as more fully disclosed in the Prospectus.
